

## **Programm der Sitzung**

**19.-20. Juli 2024**

## **Molecular Origins of Life, Munich 2024**

### ***Session A***

LMU Munich - Great (Große) Aula  
Geschwister-Scholl-Platz 1 80539 Munich Germany

# Fr., 19. Juli

08:30

## Session A

**Sitzung** | **Ort:** LMU Munich - Great (Große) Aula, Geschwister-Scholl-Platz 1 80539 Munich Germany

08:30–08:55 Uhr

### **Spatial and temporal dynamics of fluid-rock interactions promoting organic synthesis in the terrestrial lithosphere**

**Sprecher**

Bénédicte Menez

08:55–09:20 Uhr

### **Engineering a synthetic protocell with RNA origami**

**Sprecher**

Kerstin Göpfrich

09:20–09:45 Uhr

### **Before cells: Prebiotic compartments based on phase separation and molecular self-assembly**

**Sprecher**

Christine Keating

09:45

09:45

10:05

## Session A: Discussion

**Sitzung** | **Ort:** LMU Munich - Great (Große) Aula, Geschwister-Scholl-Platz 1 80539 Munich Germany
