

Programm der Sitzung

19.-20. Juli 2024

Molecular Origins of Life, Munich 2024

Session F

LMU Munich - Great (Große) Aula
Geschwister-Scholl-Platz 1 80539 Munich Germany

Sa., 20. Juli

10:30

Session F

Sitzung | **Ort:** LMU Munich - Great (Große) Aula, Geschwister-Scholl-Platz 1 80539 Munich Germany

10:30–10:55 Uhr

Nucleic Acid Replication Enabled by Wet-Dry Cycles: A Robust Solution to the Product Inhibition Problem

Sprecher

Martha Grover

10:55–11:20 Uhr

Exploring the habitability of ocean moons by in situ analysis of emitted ice grains

Sprecher

Frank Postberg

11:20–11:45 Uhr

Impacts of Environmental Parameters on Prebiotic Organic Reactions in Hydrothermal Systems

Sprecher

Laurie Barge

11:45

11:45

Session F: Discussion

Sitzung | **Ort:** LMU Munich - Great (Große) Aula, Geschwister-Scholl-Platz 1 80539 Munich Germany

12:05
